Field Coordinator

Traidcraft Exchange

Vacancy

9

Job Context

- Vacancies under "Shifting the power to grassroots communities through strengthening farmer led CSOs and improving their engagement in the sustainable development process (SWABOL)" project

- Traidcraft Exchange globally branded as Transform Trade works for trade and climate justice. In South Asia and East Africa, we support farmers, workers and artisans to benefit from more sustainable and equitable trade, and in the UK we advocate and campaign for changes to business practices and government policy.

- Traidcraft and its consortium partners recently started an EU funded project, SWABOL that contributes to achieving the global objective by strengthening Federated Smallholder Farmer-led Civil Society Organisations (FSFCSOs) as strong, independent actors of good governance and development in their own right. We are looking for 9 enthusiastic candidates to take up Field Coordinator role under this project. As follows. This position will be recruited by project`s local partner based on location.
